CPNP Foundation Increases Student Grants to CPNP 2020 to Twenty-Five

The CPNP Foundation is proud to announce the continued funding of student registration and travel grants to CPNP's Annual Meeting. Thanks to CPNP Foundation donors, the number of grants available for CPNP 2020 has increased to allow up to 25 students to attend the Annual Meeting April 26-29, 2020 in Dallas, Texas!

"The CPNP Foundation Board of Directors is very grateful to the CPNP members and CPNP Past Presidents who made these grants possible. With your generous support, we can continue to support the next generation of psychiatric pharmacists, grow our discipline, and impact the care of people living with mental disorders. On behalf of the CPNP Foundation, thank you so much!" - Cindy Kirkwood, PharmD, BCPP, President of the CPNP Foundation

The [online application portal](#) is open, and all applications are due **January 15, 2020**. To be eligible, a student applicant must be a full-time pharmacy student in pursuit of her/his first professional pharmacy degree, a paid student member of CPNP in good standing, and must not have previously received this grant. Students applying for a registration/travel grant must complete an online application and provide a current curriculum vitae; a personal essay of no more than 500 words describing the applicant's interest in CPNP and psychiatric pharmacy, including objectives for attending the meeting; and one letter of recommendation from either a clinical pharmacy practitioner or faculty member. A full list of [grant criteria](#) can be found online.

The CPNP Student Committee will facilitate the grant selection process after the application deadline, and notifications will be sent by February 12, 2020. Each student recipient will receive a full student registration to the [2020 CPNP Annual Meeting](#) (\$300 value) and a \$200 travel stipend. These grants are possible because of the generous support of [CPNP members and the CPNP Past Presidents' Destiny Fund](#), which specifically supports student registration and travel grants.
